September Exhibition

BY SELENA XIANG

On September 12, SDIA held an exhibition for our competitive skaters! We had a total of 15 skaters: **Olivia Mendoza, Aiden Elswick, Ella Kanas, Melea Karcher, Ellen Wang, Jessie Chen, Brianna Zhang, Katelyn Wang, Carly Rae Knuth, Brody Cotter, Makenzie Cotter, Delanie Farber, Sophia Spooner, Isabella Varela, and Ava Weismiller.** We had a variety of skaters from all different levels, and we wish them the best of luck in this upcoming competition season! And thank you to all of the volunteers who helped make this event possible! (Ari Kunimoto, Connie Turner, Grace He, Isleen Pi, Selena Xiang, Victoria Flores)

In this issue, we talk about:

EXHIBITION +
BOARD MEMBERS!**

At the end of the exhibition, we had lots of fun with a piñata filled with prizes! Each of the skaters performed their best, fastest spin, and then use a hockey stick to whack the piñata open! Additionally, each skater was also rewarded with a \$20 apple gift card and cotton candy cup for their hard work and wonderful performance. We hope to see more skaters participate in the future!

A special banner for our excel national skaters!

Six SDFSC skaters received invitations to compete in the 2021 Excel National Final. They went to competitions all over LA, Arizona, Utah, and Sun Valley, Idaho. We are so proud of these skaters hard work and dedication!
