On the morning of Saturday, March 11, San Diego Figure Skating Club members participated in the 2022 Bubble Run in Chula Vista! The Bubble Run is a 5K that has numerous bubble stations along the route, and we had a blast doing this run. The SDFSC team ran in the 8 am heat, and we wore matching t-shirts along with tutus (thank you to Alisa's mom for making them)!

A run to remember!

The picture below shows our SDFSC team before the start of the bubble run! In addition to this group, we also had a group of girls from our Shining Blades Synchronized Skating team run in the 10 am heat.

And everyone got Bubble Run medals at the end of the race :)
